EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on October 15, 2004 has been entered.

Information Disclosure Statement

2. The information disclosure statements (IDSs) submitted on October 15, 2004, October 18, 2004 and January 24, 2005 were filed on and after the filing date of the request for continued examination on October 15, 2004. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statements are being considered by the examiner.

Examiner's Statement of Reasons for Allowance

3. Claims 1-15 are allowed.

4. The following is an examiner's statement of reasons for allowance.

The references listed on the Information Disclosure Statements (IDSs) filed on October 15, 2004, October 18, 2004 and January 24, 2005, copies of which were not available and thus not considered by the examiner at the time the notice of allowance was mailed on July 9, 2004 have been fully considered.

The references listed in these IDSs, taken individually or in combination, fail to teach or suggest a system and method for managing system configuration across a network. Specifically, these references fail to teach or suggest the following limitation

when it is considered in combination with the remaining limitations of independent Claim 1:

update recognizer transmitting means for transmitting the update recognizer program to the processor group, wherein the processor group executes the update recognizer program to issue a notification indicating whether a software program update is applicable to the copy of the client software program in the processor group.

Similar feature is also recited in independent Claims 4, 9, 12 and 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of reasons for Allowance."
